

Thank you Dr Martin Luther King
Thank you for fixing the laws. If you didn't
I couldn't be friends with Michael and Nicco.
If you didn't help change the laws I couldn't
live in my house or go to my school. If you didn't
fight I would have to eat at Black only
places. I sit in the front of the bus with my
sister. Thank you! My dream is for
people to be helpful to other people. I will
share with people. I will be nice. I can
dream too. Thank you! I'm sad you died.
But I'm glad you lived. Thank you.
