

Ryan El. Ouardighi: 1<sup>st</sup> Grade  
K. T. Murphy Standard

He should because  
He achieved his dream,  
Today people of all  
colors are treated fairly  
and free, my dream

for the world to  
make another state. In  
that state every body  
would be free. Everyone  
would have a home  
to live in. Every body  
would all try new  
foods. Every body would be  
happy. BY RYAN J. BIONARDI
