

United States Senate
WASHINGTON, DC 20510

May 7, 2026

The Honorable John Boozman,
Subcommittee Chair
United States Senate Committee on
Appropriations
Subcommittee on Military Construction,
Veterans Affairs, and Related Agencies
S-128, The Capitol
Washington, DC 20510

The Honorable Jon Ossoff,
Subcommittee Ranking Member
United States Senate Committee on
Appropriations
Subcommittee on Military Construction,
Veterans Affairs, and Related Agencies
S-128, The Capitol
Washington, DC 20510

Dear Chairman Boozman and Ranking Member Ossoff:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Military Construction, Department of Veterans Affairs, and Related Agencies Appropriations Act, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

CHRISTOPHER S. MURPHY
United States Senator

**Murphy, Christopher(D-CT) Military Construction and VA
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Naval Submarine Base New London	This planning and design funding will help develop enlisted quarters to accommodate all home-ported submariners in barracks and meet quality of life goals at SUBASE New London. The project will replace remote, outdated 1960's-era barracks that currently drag on submariner morale and retention.	New London CT	\$22,500
Naval Submarine Base New London	This planning and design funding will help develop a new fitness center to replace an inadequate, old gym at SUBASE New London. The project will ensure building codes and fitness standards are met and enable year-round physical readiness of submarine forces.	New London CT	\$16,000
Naval Submarine Base New London	This planning and design funding will help create a new Main Electrical Substation to replace the current outdated substation at SUBASE New London, which has reached its useful service life. The project will mitigate risks associated with the old substation's equipment and age.	New London CT	\$7,700
Naval Submarine Base New London	This military construction funding will go towards building a dedicated space with areas for open and enclosed climate-controlled storage at SUBASE New London. The project is required to protect key items from the elements before Block V VPM arrives to the base.	New London CT	\$50,000
